## Republican Women Visit Harrisburg on All-Day Trip

Entertained by Cadwalader Fol-  
lowing Visit to Legislature  
and Educational Bldg.

### SEE FOOD LABORATORY

Seventy-two Republican Women spent Tuesday in Harrisburg on an all-day trip sponsored by the Lower Merion-Narberth Council of Republican Women.

The day was featured by a tea given at the Hotel Harrisburger by Lambert Cadwalader, representative from the First Legislative District. Senator Mason T. Owlett, Harvey Taylor and Peter C. Hess were among the guests who spoke briefly.

Introduced by the president of the Council, Mrs. John Y. Huber, Jr., Senator Owlett urged the women to organize the young people and see that they are acquainted with the standards of the Republican party.

Mr. Taylor, of the Republican State Committee, congratulated Montgomery County on its record during the last campaign and spoke of the need for continued effort to strengthen the party. He was followed by Mr. Hess, Lower Merion leader, who spoke of his pride in this township and the part played by women in the last election.

The fact that so many Republican women had made the effort to come to Harrisburg was encouraging to the legislators. Mr. Cadwalader declared when introduced by Mrs. Huber.

"It means much to the few of us in the House and Senate to know that we have your support," he said. "It gives us confidence to know that you are in back of us."

Mrs. Cadwalader was unable to be present, as she is under a doctor's care as a result of an automobile accident Sunday.

A visit to the Food Laboratory of the Department of Agriculture was made on arriving in the city. Under the guidance of Elmer E. Harter, Jr., the director, the group was escorted through the laboratory and talks were given by the chemists in charge of the various departments.

Demonstrations of the tests used to detect adulteration of foods were given and the work achieved by this department explained.

After luncheon at Jackson's restaurant, the party visited the Capitol where they spent over an hour in the House where seats had been reserved for them by Mr. Cadwalader.

Since the Senate did not convene until 4 P. M., they visited the Senate Chamber, but did not see the members in session.

## Where Narberth Plays

This photograph, taken by Edward S. Haws, former councilman, shows Narberth's community playfield and buildings with their background of beautiful trees. A letter from Mr. Haws, in which he joins with Anton E. Wohler in seeking better care for this borough asset, is printed in this issue.

## Players To Depict Mountain Life In Vollmer's "Sun-Up" March 19-20

Lula Vollmer's "Sun-Up," a backwoods drama, will be presented by the Narberth Players on Friday and Saturday evening, March 19 and 20, at the Narberth Public School Auditorium.

Under the direction of "Bill" Muller the Players' celebration of their twenty-fifth production will depict vividly the crudeness and ignorance of the mountaineers of western North Carolina.

Starred in the cast is Faith Farmer as the Widow Cagle whose husband is shot by a Revenue. In the original production of "Sun-Up" Lucille LaVerne played the part of Widow Cagle nearly one thousand times. Followers of the Narberth Players will remember Mrs. Farmer in the "Undercurrent," a one-act play given last year in which she had the part of a German mother. Her most recent contribution to the Players was a one-act play which she wrote, "White Hyacinths." Her greatest success was when, as coach of "This Thing Called Love," the Narberth Players witnessed the largest houses they ever had.

Edward C. Batchelor has the role of

Pap Todd. Mr. Batchelor has a long list of plays to his credit: "Ice-Bound," "Three Faces East," "Arms and the Man," "The Late Christopher Bean," and "The Bad Man."

Rufe Cagle, the half-educated son of Widow Cagle, who joins the United States Forces during the World War, is played by Paul Goodyear. "Hay Fever," and "John Ferguson" are among Paul Goodyear's contribution to the Players.

Another old-timer and one who recently reached heights in a comedy role in the "Post Road" is George McAllister as "Bud" the half-witted brother of Rufe.

There will be two new-comers in "Sun-Up" Fay Fetteroff, whose previous experience has merited her one of the feature roles, Emmy, in the Players' twenty-fifth production, and Bill Hand, who represents the law in the part of Sheriff Weeks.

Others in the cast will be Roger Burns as the preacher, Paul Brown as the stranger, and George Supplee. Scenery will be in charge of George Werner with Roger Burns, Joseph Hongler and George Supplee assisting. C. L.

## Pike Residents Protest Business Locality Trend

That the development of business on Montgomery avenue, Narberth, has depreciated residence property values in that vicinity was the consensus of opinion of three residents who appeared Wednesday night before the Narberth Board of Adjustment at a public hearing on the application of Russell M. Shinn, of 802-808 Montgomery avenue, to conduct a landscaping business at 1226 Montgomery avenue.

The protests of the three, George S. Trimble, 1216 Montgomery avenue; George M. Harding, 1231 Montgomery avenue, and A. Leslie Lambert, of Shady lane, was directed in general toward the further encroachment of business on the pike rather than specifically toward Mr. Shinn.

In fact, it was agreed among the parties at the amicable hearing that a landscaping-pottery-plants establishment, under a temporary lease and with added restrictions, might be a lesser evil than some other enterprise. However, the Messrs. Trimble, Harding and Lambert would like to see the section restricted to residences only.

The board took the application under advisement.

## Second Cub and Dad Hobby Show April 2

Narberth's Cub Pack will hold its second annual "Cub and Dad Hobby Show" on April 2 at the Legion Room, Community Building. Ardmore and Penn Wynne packs also will join with entries.

## Merion Branch Hears Talk on School Bills

Clarence E. Ackley Discusses  
Legislation Indorsed by  
League Committees

### STATE MEET IN APRIL

Clarence E. Ackley, secretary, State Council of Education, Pennsylvania, was the speaker at the meeting of the Merion Branch of the League of Women Voters held at the Woman's Club of Bala-Cynwyd on Wednesday afternoon. He discussed the Ruth-Brownfield Bill, shaped and drafted to improve schools in the fourth district of the State and the Tenure Bill. Both of these bills are before the Legislature and are the most important of the 125 bills on Education. The Government and Education Committees of the League have been studying these two bills and are backing them.

Mrs. Thomas Mills presided at the short business meeting preceding the talk and announced the State Convention of the League which will be held in Altoona on April 17, 18, 19. It has been suggested that a Regional Director be appointed from the local branch to represent the members at this convention. The Executive Board will meet at 3.30 on March 24 at the home of Mrs. Mills on Bryn Mawr avenue, in Cynwyd.

The Montgomery County League of Women Voters will meet April 5, for an all-day session at Andorra Inn. The morning session will be devoted to the adoption of new by-laws.

## Final Rites Today for John C. Nash

Real Estate Man Died Suddenly  
Tuesday in New York  
Hotel

### VETERAN AND A MASON

Funeral services will be held this Friday afternoon at 3 o'clock for John C. Nash, Main Line real estate operator, who died suddenly in the Hotel New Yorker in New York City on Tuesday.

The final rites will be held at his late residence, 80 Wynnedale avenue, with interment at Laurel Hill Cemetery.

Mr. Nash, who was spending the week-end in New York with his brother-in-law, Arthur L. Cooke, of Lantwyn lane, Narberth, was stricken about 7 A. M. in the morning and died before the latter could summon medical assistance.

Mr. Cooke awakened shortly before 7 and noticed that his friend was breathing heavily. The stricken man died shortly afterward. A year ago Mr. Nash, who was 38, suffered a heart attack which confined him to his home for several months, but apparently he had regained his health.

Mrs. Nash, the former Miss Ruth Haws, and her sister, Mrs. Cooke, who had started on a motor trip to Florida last week-end, were summoned home by the tragedy.

John C. Nash was a member of the Robert J. Nash realty firm, in charge of its Wynnedale office. A veteran of the World War, he was a member of the Harold D. Speakman Post, American Legion, Narberth. He was also a member of the Cassia Lodge, F. and A. M., Ardmore, and of the Narberth Presbyterian Church.

Besides Mrs. Nash he is survived by three brothers, Robert J., a former president of the Philadelphia Real Estate Board; Henry T., in charge of the firm's Narberth office, and Walter Nash, all of Narberth, and two sisters, Mrs. George Floyd, of Penn Valley, and Mrs. Alice Weatherall, of Rosemont.

## 1855 R. R. Guide Raises Question of Libertyville's Exact Location

Where was Libertyville Station located?

This question arose recently when a subscriber brought to this office a booklet labeled:

"Guide for the Penna. Railroad with an Extensive Map including the Entire Route with all its Windings, Objects of Interest & Information Useful to the Traveler. 1855."

The folder describes the country from Philadelphia to Pittsburg (then spelled without the final "h"), contains a map of the entire section. The present line from Ardmore to Philadelphia was built about 1852 and in 1855 the Philadelphia Station was

### Maroon Forges Ahead in Quest for Title

Lower Merion Beats Coatesville  
and Chester; Quakertown  
Next Victim

### JRS. LOOM AS CHAMPS

By TOMMY MACKLIN

Coatesville's basketball players, forged in the steel mills of Chester County's Capital city, and hardened and chilled in her quarry holes, called the roll at Villanova's Field House Tuesday night. The players answered to their names with a courageous show of fighting spirit that showed itself in rough and tumble scenes throughout the thrilling contest. Their opponents, the hardy perennials from Lower Merion met them head on and sent the steelmen back to their furnaces, losers by a 23 to 19 score.

Thus Bill Anderson's boys have avenged the two early season defeats by overcoming their conquerors in return games.

This game, however, meant more than avenging a defeat. The winner has the honor of going into the P. I. A. A. tournament as the representative of District 3, for the only obstacle left is Quakertown, a team of doubtful big league ability. This game scheduled for tonight will probably be played at Villanova, and the little school's zone defense will hardly be of much use to them on the huge floor.

Lower Merion played a pretty fair game of ball in both the Chester and Coatesville struggles. The Chester boys were small, but fast and aggressive. They spent most of the evening in the Lower Merion players' hair, and the rest of the time hanging on to their belts or knees. It made the going rather difficult for the Maroon giants. The local boys are, if nothing else, kind hearted, and they ran up and down the floor in constant fear of trampling one of the diminutive Chester players under their feet. Johnny Abrams, coach of the Chester boys, has done a good job his first year at Chester. His boys played intelligent ball and gave Lower Merion a good game. The score, 28 to 16, just about shows the margin of superiority that Anderson's team deserves.

The Mutt and Jeff boys from Coatesville, however, deserve no sympathy. Eagles, star scoring man, was their smallest man, and he was quite capable of taking care of himself. Garowski, center and pivot man, was big enough to scare little boys along the sidelines. The rest of the team was made up of tall and rugged boys or short and rugged boys. They were all very capable and also very rough and tough.

This writer feels that the Maroon team played a very creditable game. The boys made many mistakes and on

## Pastor Speaks on Jealousy Before Juniors' Book Club

The Rev. Robert E. Keighton pastor of the Baptist Church of the Evangel, Narberth, spoke before the Book Club of the Junior Community Club Monday night. Skillman, Jr., were the hostesses for the evening.

## 15-Minute Stopping Alongside Bank Permitted From 9 to 3 o'clock

### TRAFFIC BUTTONS O. K.

Borough Council Monday night barred parking entirely on one part of Haverford avenue and sharply curtailed parking on another section of the thoroughfare.

Parking is prohibited at any time on the north side of Haverford from a point 100 feet west of the west side of Montgomery avenue to a point opposite the west side of Oak road.

On the north side of Haverford between Essex and Dudley avenues, parking is prohibited from 3 P. M. to 9 A. M. of the following day, while fifteen-minute parking only is permitted from 9 A. M. to 3 P. M.

The measure, which modifies the Order of September 30, 1932, was sponsored by the Public Safety Committee of which William H. Durbin is chairman. Its purpose is to relieve traffic hazards during the morning and evening.

Appearing before Council in behalf of The National Bank of Narberth of which he is a director, Carl B. Metzger asked that consideration be given the bank's parking problem. According to Mr. Metzger, the stretch along the bank between Essex and Dudley avenues is the only place that the institution's customers from Wynnedale, Merion and Bala-Cynwyd can park while transacting business unless they leave their cars some distance away. Fifteen-minute parking had been permitted there from 7 A. M. to 4 P. M.

He expressed the hope that soon the proposed tunnel under the railroad at Essex avenue might be built with a consequent widening of the "bottle neck" of Haverford avenue.

Mr. Metzger, who is both a former

## Street Workers Seek Return of Pay Cut

Present Scale of \$22 to \$30 is  
Under Level of  
1932

### COUNCIL ASKS TWO BIDS

A petition, signed by six of the seven borough workers, asking for an increase on their present pay rate, was read in Narberth Council Monday night by Robert F. Wood, chairman of the Highway Committee. Action on the request was deferred until next month.

The present rate is \$22 weekly for laborers, \$25 for drivers and \$30 for the foreman, Thomas Civitello. In 1932 before the men were given a cut in pay, the rates were \$25 for laborers, \$28 for drivers, and \$35 for the foreman.

Upon recommendation of Mr. Wood's committee, authorization was given to advertise for two separate sets of bids. One is for eighty-four streets signs to be erected in Narberth. The other is for a coupe-style automobile for the use of the borough with the specification that the make be Ford, Chevrolet or Plymouth.

According to Mr. Wood the signs would be "erected by the borough laborers immediately after the end of the weekly ash collection in May."

The Building Committee report showed but one permit issued in February, that to Linwood Sharp, 107 Merion avenue, for a new roof to cost \$200. During February Building Inspector George B. Supplee made 28 inspections.

A communication was read from Councilman Eugene H. Davis asking that showers be installed in the recently acquired property at 102 Conway avenue. Mr. Davis held that the present showers are inadequate and insanitary for use of participants in playground activities.

Burgess John R. Hall and Borough Solicitor Henry A. Frye reported briefly on their recent attendance at the annual convention of the Association of Boroughs at Harrisburg. Mr. Frye pointed out, in particular, the tendency of the present State administration to centralize all forms of local government.

The question of appointing a Borough Planning Commission was informally discussed.

## More Than Bread Alone

Of all the charitable organizations, the Salvation Army has the greatest widespread acceptance because the man in the street as well as the man behind the desk feels that it stands ready to help without red tape or ostentation.

The Army works on the principle that a man cannot be interested in the so-called "higher things of life" when he is hungry and without a place to sleep.

Probably one reason for the confidence felt in the Salvation Army by all classes of people is its record during the World War. Whereas some organizations purporting to serve the "boys" at the Front were somewhat niggardly, the Salvation Army gave freely with an open hand. And the boys have remembered that treatment.

At a campaign luncheon recently, a worker asked this question of a Salvation Army officer: "People say, 'why should we contribute to the Salvation Army? We are paying for relief in higher taxes. Let the government do it.'"

To this query, the Salvation Army official answered, "In the words of Christ, 'Man does not live by bread alone.' Cold-blooded charity has a bad effect on people. Bread must be handed out with sympathy and love. Taxation cannot do that. The Salvation Army can."

Bear this in mind when the volunteer worker approaches you.

## Driving a Privilege—Not a Right

It is high time we realized that operation of a motor car on the public highways is a privilege—not a right.

Every automobile is a potentially lethal weapon. Properly used, it is one of man's most desirable mechanical servants. Improperly used, it is a terrible menace to the lives, health and property of everyone in the area it travels.

Rigid training is necessary to obtain a license to pilot an airplane—yet the plane travels empty airways where, generally speaking, it cannot endanger others. Locomotive engineers must likewise undergo years of arduous experience, and must prove their physical and mental competence and responsibility before being entrusted with a train—yet a train operates on tracks, and has no traffic congestion problems. Still, in most states, we allow anyone—whether he be competent or incompetent, careless or reckless, of good habits or bad—to drive a car on crowded arteries of travel, where the slightest error of judgment may cause a death!

It is an undeniable fact that a considerable percentage of the people now driving should either be denied that privilege or forced to undergo a period of training to make them abler, safer car operators. Some of these people are physically incapable of driving properly. Many more are mentally incapable, congenitally incompetent, or reckless. And the toll is 35,000 lives a year.

We will never solve the accident problem until we adopt drivers' licensing regulations that will keep the incompetent and reckless driver off the public roads. No man has a "right" to drive until he can show definitely that he is worthy of the "privilege" bestowed upon him.

## Cynwyd Engineer's Auto Kills Paoli Man Instantly

T. Howard LeBoutillier, 35, of 117 Montgomery avenue, Cynwyd, was held in \$1000 bail at a hearing Saturday on a charge of involuntary manslaughter.

The charge was made in connection with the death of Walter Mercier, 55, of Paoli, who was killed instantly Friday night when struck by LeBoutillier's automobile beneath the Green Tree bridge of the Pennsylvania Railroad on Lancaster pike.

LeBoutillier, an industrial engineer connected with the Edward G. Budd Manufacturing Company, told police he dimmed his headlights when he approached the underpass and failed to see Mercier.

### Seeks Better Care for Trees

Editor, Our Town:

Our friend A. E. Wohlert is ever concerned regarding things which tend to add pleasure and comfort to all who are fortunate enough to reside in this favored community.

Those of us who have had some part in bringing Narberth to its enviable position among local communities are well aware of the help Mr. Wohlert has been in giving unstintingly of service as well as advice.

Our playfield and Community Buildings are now in a setting of trees that is becoming more beautiful each year and Mr. Wohlert had a lot to do with that project which is now giving pleasure and comfort to so many of us and our children.

The beauty of the trees about the field and Community Building was brought forcefully to my attention more than a year ago when I happened to take a snapshot of the field while a game of baseball was being played.

Since that time the trees have grown more beautiful and should continue to improve providing they receive the required attention.

Mr. Wohlert is undoubtedly most competent to advise concerning trees as they have been his business as well as his hobby and pleasure during his life.

When Mr. Wohlert says we should spend a little money to feed and care for our trees that they may grow more beautiful, and give more abundantly of their cool and comforting shade, I agree with him and would urge that the modest sum of \$100 a year, as suggested by Mr. Wohlert, be appropriated by the Borough Council and some competent Narberth man who knows how to care for trees be engaged for that purpose. It would, in my judgment, be money well spent.

EDWARD S. HAWS.

## Takes Leading Role

WARREN HOLLAND who will sing the role of The Grand Inquisitor in the Community Choral's "Gondoliers."

## Holland, Canale Sing Leads in 'Gondoliers'

### Production to be Given in April by Bala-Cynwyd Choral

Do you remember Warren Holland as Ko-Ko in "Mikado," the Lord High Executioner who described with such painstaking—and painful—care every detail of the gory execution he did not commit, and who rolled through the ridiculous "Flowers That Bloom in the Spring, Tra-la"? And do you remember him as Major General Stanley in "Pirates of Penzance" with his many daughters and worries about his ancestors?

Mr. Holland is appearing again with the Bala-Cynwyd Choral Group in their presentation of Gilbert and Sullivan's "Gondoliers" on April 2 and 3. He is playing the part of Don Alhambra Del Boloro, the Grand Inquisitor, as ridiculous a role as ever Gilbert and Sullivan created and as comically portrayed as ever you have seen it.

The pomp and ceremony of His Haughtiness is superb—and we know for we have witnessed it before. Besides his unusual acting ability Mr. Holland has an excellent bass voice which has been heard in grand opera as well as light opera and concert.

Two other male leads requiring good vocal and dramatic talent are the gondoliers who are responsible for the story. They are the brothers Giuseppe and Marco Palmieri, played by Albert C. Lonzer and Andrew Canale.

Mr. Lonzer has never appeared with this group before, but we are favorably impressed with his ability, and his past experience in Gilbert and Sullivan and other musical work speaks for itself.

Mr. Canale made his debut in Bala-Cynwyd, playing the leading role of Frederick in last year's presentation of "Pirates of Penzance." The truly splendid quality of this young tenor's voice and his easy, natural acting ability stood out in the performance. His experience also includes opera and concert work. These two make delightfully care-free gondoliers and the most democratic king.

### LEARNING TO TALK

"I'm a student operator in the Bell Telephone Company. You'd be surprised how much more there is to the job than just operating a switchboard. Making connections quickly and accurately is only a part of it.

"For example, we have to know how to talk! How to speak clearly, courteously, pleasantly. For when you hear my voice I want it to mean a lot to you. I want it to tell you: 'Here's a pleasant, courteous, capable person who is anxious to give you prompt, accurate, pleasing service.'"

Although every telephone must have a number, we never forget that these numbers are really people. The business of helping you reach anybody, anywhere, at any time is a personal service, to be handled with speed and accuracy, but above all with courtesy. Use your telephone more to keep in touch with folks. It's a friendly thing to do—and often a profitable one.

THE BELL TELEPHONE COMPANY  
OF PENNSYLVANIA

### Girl Scout News

Today is the Girl Scouts' twenty-fifth anniversary. The organization was founded at Savannah, Georgia, in 1912, by Mrs. Juliette Low. From the small troop of eleven girls in Savannah, the movement has grown until it includes 400,000 active scouts in the United States today.

Mrs. Herbert Hoover, national president of Girl Scouts, Inc., will talk to scouts and their friends this Friday at 10 P. M. over the Blue network of the National Broadcasting Company.

The Philadelphia leaders are celebrating the Silver Anniversary by holding a dinner at Gimbel Brothers' store this Friday. Benjamin Ludlow will speak and the Delaware County Chorus will sing.

An international party, the last meeting of the Main Line Leaders' Association, was held at the Ardmore Presbyterian Church. Each leader came in costume. Troop 268, Oakmont, with Miss Madeline Brown as captain served an international dinner, each dish representing a different nationality. Dolls in costumes of foreign countries formed the table decorations. Between courses, folk songs were sung. After dinner, Miss Oriana Van Dyke, a student at Beaver College, gave an account of her trip abroad with Miss Julia Williamson and seven other Girl Scouts. The scouts visited England, Belgium, Switzerland and France, and were entertained by Girl Guides in each of these countries. They visited "Cour Chale" in Aberdeen, Switzerland. After Miss Van Dyke's talk the leaders danced folk dances from the many countries where Girl Scouting and Guiding exists.

The Rev. W. V. Middleton, pastor of the Narberth Methodist Episcopal Church will devote the morning service this Sunday to Girl Scouts and young people.

Troop 125 with Miss Ingeborg Thaysen as captain, is having a St. Patrick party on Monday to which the Boy Scout Troop Narberth 2 is invited.

On the afternoon of March 3, Troop 207 held its regular meeting at the Merion Tribute House. Cynthia Rawan, Christine Allen, Marion Miller and Beatrice Keegan passed judging and heights, weights and distances, two of the first class requirements. They wish to thank Mrs. Phillip Murray, who directed them in their work. Miss Carolyn Beyer, captain, announced that Mrs. Blakeman would teach housekeeping to second class scouts at the next meeting.

Girl Scout Troop 8 of Narberth had a meeting Tuesday evening. Olive Bates one of our older girls who was home from college, sang many songs at the request of one of our leaders. We started making invitations for the Golden Eaglet presentations on April 3. This is a very important announcement because two girls in our troop will be among the few Golden Eaglets on the Main Line. Everyone is cordially invited.

Scribe, JEAN SIMPSON.

## "Beloved Enemy," Irish Drama, Now at Narberth

Current at the Narberth is "Beloved Enemy" which stars Merle Oberon and Brian Aherne in a romance of the Irish rebellion of 1921, in which Merle, daughter of an English lord, falls in love with Aherne, leader of the revolution. In the cast are Henry Stephenson, Karen Morley and Donald Crisp.

"Three Men on a Horse," Monday and Tuesday, presents Frank McHugh as Erwin Trowbridge, meek greeting card author, who knows how to pick race winners and falls into the clutches of gamblers. Allen Jenkins and Guy Kibbee have important roles in the movie version of the stage hit by John Cecil Holm and George Abbott.

Wednesday (Cash Award Night) James Melton, radio tenor, stars in "Sing Me a Love Song," a comedy-romance with music. Assisting comedians are Zasu Pitts, Allen Jenkins, Nat Pendleton and Walter Catlett.

Elizabeth Bergner in Shakespeare's "As You Like It" will be the attraction Thursday. The story of love, duels and noblemen was directed by Paul Czinner.

## Parking Facilities Arranged at "The Good Earth" Matinees

Although the M-G-M production of "The Good Earth," which is now at the Locust Street Theatre, is notable for its general appeal to all types of audiences, a preponderance of women at all matinee performances indicates its strong appeal for women.

The management of the theatre has arranged to take care of this great matinee trade in unusual fashion. At all matinees—only two performances of the almost three-hour long picture are given daily—there is a uniformed attendant to take care of the parking of cars. Also, the showing is begun promptly at 2:30 P. M. so that the performance will not end later than 5 P. M., leaving a margin of time for the spectator to get home to dinner, or to attend other social affairs.

Transfer of "The Good Earth" to the screen by M-G-M has been hailed as the outstanding motion picture achievement in the past decade. Paul Muni and Luise Rainer, this year's winners of the awards for outstanding screen performances annually given by the Academy of Motion Picture Arts and Sciences, are starred in the roles of Wang and his devoted wife.

### Preparing Garden for 1937

By W. O. HIRD  
of I. N. SIMON & SON

With signs of the approach of spring on every hand, the flower lover should make plans for the annual flower garden. If one has the advantage of a cold frame, Petunias, Verbena, Scarlet Sage, Stocks, Phlox, Ageratum and other varieties which require a long season, should be sown at once, as the earlier the seeds of annuals, which are to furnish the main summer display can be started, the earlier they will begin to bloom, and the longer will be their season of beauty. In the past few years, a number of exceptionally fine varieties have been introduced, and the flower lover will be more than repaid by including some of them in the Garden of 1937. Among these are the new wilt-resistant Asters, in the various types and colors, making it now possible to grow extra fine blooms with the least danger of wilt. The rust-resistant Snapdragons are most satisfactory, and fine displays of this popular annual can now be had with little danger of rusting. Calendula—Sunshine and Orange Shaggy, are both fine for cut flowers, as well as garden display. The new annual Canterbury Bells, if sown in May, will give blooms in September, and are well worth a trial; while the annual Delphiniums should also be included in the list. Of the several new varieties of Cosmos, the Golden Yellow Orange Flare is the most popular sort. The new variety, Sensation, which produces giant flowers, 5 and 6 inches in diameter, in mixed colors, is a fine novelty. Marigolds have been greatly improved, and a trial of some of the new varieties is suggested—the varieties Harmony, Dixie Sunshine and the Sunset Giants are recommended. No garden is complete without the new double Nasturtiums. This fine annual is now offered in both Tall and Dwarf varieties, and in separate and mixed colors. For Garden Display, the Zinnia is hard to beat, and varieties can now be had for the Border, Cut Flower and Garden Display; the most popular varieties being Liliput, California Giants, Dahlia Flowered, Fantasy and the Scabiosa Flowered varieties; all of which are worthy of a place in the 1937 flower garden.

### Lily Growing Discussed at Penn Valley Club

Robert B. McKenney, of Newton, gave an informative lecture on "How to Grow Lilies" at the meeting of the Penn Valley Garden Club Monday morning at the home of Mrs. W. Gordon Smith, Manor road, Penn Valley.

Mr. McKenney demonstrated how to divide lilies and other perennial plants and the planting of flowers.

Next Monday, a number of the Garden Club members will attend the Art Exhibition of "The Ten of Philadelphia" at the Art Club.

Miss Fanny Loos, of Narberth, will head a committee which consists of Mrs. Ernest Drew, Mrs. Earl G. Wagner, Mrs. Blaine Rawdon, Mrs. William B. Griscom, Mrs. Frank C. Smith, Mrs. A. C. Goldsmith and Mrs. J. A. Hamlin, who will serve as hostesses for the Pennsylvania Horticultural Society at the Philadelphia Flower Show this Friday afternoon.

The next meeting of the club will be March 22, at the home of Mrs. H. W. Madara, Hagysford road, Penn Valley, at 10.30 A. M. There will be a discussion of "Seeds and Seed Planting."

### Aronimink Combines Bus Routes, Increases Service

Consolidation of several Aronimink Transportation Co. bus lines was announced this week.

Three lines—Swarthmore to 69th street, 69th street to Overbrook, and Overbrook to Bryn Mawr, via Narberth and Ardmore—will be combined into a single route operating continuously between Swarthmore and Bryn Mawr via 69th street Terminal. Ardmore passengers who formerly paid two fares and were required to change at Overbrook now will pay only one fare to 69th street.

Service through Narberth and Bala Cynwyd has been speeded up to fifteen-minute intervals during part of the day.

### Academy Road Home Sold

Harris & Bunting, agents for Wyoming Construction Company, have sold the first of a group of new single houses under development at the present time. The property at 64 Academy road, Cynwyd, consists of an English style stone residence containing eight rooms with two baths and two-car garage, completely equipped at a price of \$8,950. It will be occupied as the residence of K. H. Yocom, of Philadelphia.

Have you paid your Narberth Fire Company dues?

### Four-Point Program Outlined for Youth

Cameron Beck Urges "Plan, Purpose, Perseverance and Right Living"

#### SPEAKS TO BORO P. T. A.

Cameron Beck, director of the Stock Exchange Institute of New York, who is well known for his work among the youth of the nation, gave a stirring and inspiring talk to the Narberth Parent-Teacher Association in the Narberth Public School Monday evening. His topic was "Leadership for Tomorrow."

"Four fundamentals," said Mr. Beck, "to become successful in life is for the young man or woman to observe the following: First, plan your life, for there are genuine perils in a planless life; second, the need of purpose; third, perseverance for the youth of today will need a lot of it; fourth, a passion for right living."

"Parent-Teacher Associations and the schools are a great force in modeling the life of the young in teaching them to work," he said, "Many a man has become great because he has persevered in the object of his life work."

Soloist of the evening was Mrs. C. Frederick Kuebler, Jr., who sang two numbers. Mrs. Wesley P. Dunnington was her accompanist. The Rev. Archer E. Anderson, pastor of the Narberth Presbyterian Church, gave the invocation and Teddy Cochran, scout of Wynnewood Troop 1, lead the Salute to the Flag. Mrs. Edmund Allen Whiting, the president, introduced the speaker.

#### Rotarians Favor Dividing of District in Two Parts

Two new districts to replace the present 50th district, Rotary International, will go into effect Monday unless 75 per cent of the clubs affected protest, which now seems unlikely.

Tuesday at the meeting of the Bala-Cynwyd-Narberth Rotary Club the proposed division was approved by the members.

According to the Rev. George Emerson Barnes, pastor of the Overbrook Presbyterian Church and chairman of a Philadelphia Rotary Club Committee which investigated the plan, the present district is too large to be supervised by one governor.

The redistricting would separate the Eastern Pennsylvania clubs from those of South Jersey and Delaware. W. J. Drennen, president of the local club, opened the discussion on the plan.

Dr. Richard C. Mears announced that the next district conference is scheduled April 11, 12 and 13 in Atlantic City.

#### Sarah Shriner Martin Guest Artist at Players' Meeting

Sarah Shriner Martin, reader and dramatic artist and a graduate of the National School of Elocution and Oratory, was guest artist Tuesday night at the March meeting of the Narberth Players at the Narberth School Auditorium.

She gave a delightful monologue in Pennsylvania Dutch dialect, "At the Theatre," with a humorous poem as an encore.

At the business meeting, Bertine G. Simpson, president, read a letter of appreciation sent to the Players by Mrs. Gertrude Green, wife of the late W. Russell Green, who was founder and honorary president of the organization. As a tribute to Mr. Green, the Board of Governors has given life memberships to his family.

In celebration of the organization's 25th production next week-end, "Sun-Up," William Muller announced a 32-page program is planned to contain a history of the Players and briefs about the Thespians in its casts.

#### State Federation Literary Contests to Close April 10

Members of the various clubs in the State Federation of Pennsylvania, who have literary talent, will be given a chance to compete for prizes to be awarded in May when the State Federation will hold its convention in Philadelphia. Besides the awards, there will be honorable mention.

The classes are: 1. Best Lyric (20 lines maximum); 2. Best sonnet; 3. Best Story not more than 2500 words, and 4. Best Essay. All papers are to be sent to Mrs. William T. Ryman, Girard, Pa., by April 10. Name of sender and club must be on the manuscript. All manuscripts must be typewritten.

The Narberth Fire Company is a voluntary organization at your service day and night. Have you paid your dues for this year?

#### Host to G. O. P. Women

LAMBERT CADWALADER representative from the First Legislative District, who entertained the Lower Merion-Narberth Council of Republican Women at a tea.

#### Republican Women Visit Harrisburg on All-Day Trip

Continued from Page One

A brief visit to the Pennsylvania Museum and the Educational Building, where they were given a display of lighting in the Forum, completed the day's program.

Joining with the Lower Merion-Narberth Women was a group from Mifflintown under the leadership of Mrs. Edred Pennell, formerly of Bryn Mawr.

The trip was arranged by Mrs. Helen G. Greenwood, corresponding secretary of the local council, who also arranged two previous trips to Washington.

Among those who made the trip were Mrs. Huber, Mrs. H. Tatnall Brown, Mrs. J. F. Scull, Mrs. R. S. McGowan, Mrs. P. W. Knauff, Mrs. Clara Winters, Mrs. M. G. Sausser, Mrs. William Edsall, Mrs. E. H. Cockrill, Miss Caroline Smedley, Mrs. W. King Allen.

numerous occasions failed to take advantage of their opportunities for scoring, but they won the game with a magnificent last minute rush that proved their class as championship contenders. The boys may yet go far.

Word must be spoken for the Junior High suburban champions at this time. The plucky little Merionites came through two tournament games at Norristown this past week on the winning end of the score. Both games were extra period affairs, the last needing two extra periods to decide the issue, and in each game they came from far behind to overcome commanding leads. The boys deserve attention and commendation and if you will read their names carefully you will see the names of lads who will be carrying the Senior High through more championship years in a very short while.

The Orange and Black five defeated Springfield Junior High after the latter had enjoyed a 15-game winning streak, and West Pottsgrove after a 17-game winning streak. Quite the giant killers. Stewart will be met in the final game tomorrow night at Norristown.
